IASB publishes request for information on the post-implementation review of IFRS 10-12

The International Accounting Standards Board has issued a request for information (RFI) seeking comments from stakeholders to identify whether IFRS 10 'Consolidated Financial Statements', IFRS 11 'Joint Arrangements', and IFRS 12 'Disclosure of Interests in Other Entities' provide information that is useful to users of financial statements; whether there are requirements that are difficult to implement and may prevent the consistent implementation of the standards; and whether unexpected costs have arisen in connection with applying or enforcing the standards. Comments on the RFI are due by 10 May 2021.

Please click to access the following:

- The **request for information** and a corresponding **press release** are available on the IASB website
- **IFRS in Focus newsletter** outlining the contents of the RFI on the IAS Plus website.

IFRS 17 adoption progresses around the world

China has decided to adopt IFRS 17 over a three-year transition period. The Ministry of Finance of the People's Republic of China has issued CAS 25 (revised) to be part of the IFRS-converged accounting standards for Chinese entities (Chinese Accounting Standards or CAS). Saudi Arabia has adopted the IFRS 17 amendments issued in June 2020 and India through the ICAI is consulting on the adoption of these amendments.

Please click to access the following:

- **Revised CAS 25** text converged with IFRS 17
- **Announcement** of Saudi Arabia's adoption of IFRS 17 on the SOCPA website
- **The press release** on the ICAI website

Summary of the November 2020 IFRS Advisory Council meeting

A summary report has been released of the meeting of the IFRS Advisory Council held by remote participation on 3–4 November 2020.

The following topics were discussed:

- Updates on Trustees and Board's Activities
- Feedback from previous Advisory Council meetings
- Sustainability

Please click to access the following:

- Full **meeting summary** on the IASB website
- **Recordings** of individual sessions

IASB Vice-Chair speaks at annual AICPA conference

At the 2020 AICPA Conference on Current SEC and PCAOB Developments, which is currently being held by remote participation, IASB Vice-Chair Sue Lloyd spoke about the IASB's reaction to COVID-19 challenges and other important Board developments in 2020. She also noted developments to be expected next year and developments in sustainability reporting.

Please click to access the **full text of the speech** is available on the IASB website.

IASB Chair discusses COVID-19 and IFRS Standards

During the virtual seminar hosted by the Japanese Institute of Certified Public Accountants, IASB Chair Hans Hoogervorst gave a keynote speech discussing the effects of COVID-19 as well as developments in IFRS Standards.

Please click to access the **full transcript** of the speech on the IASB's website.

IASB issues 'Investor Update' newsletter

The IASB has issued the latest edition of its newsletter 'Investor Update', which profiles recently introduced IFRS Standards and other changes to the pipeline as well as how those changes may affect companies and performance.

Please click to access the **Investor Update newsletter** on the IASB's website

IFRS Foundation appoints three new Trustees

EFrag outreach event on business combinations and the investor view – summary report

On 12 November 2020, EFRAG, along with the IASB, hosted an outreach event to discuss business combinations and the subsequent accounting for goodwill. A summary report is now available.

Please click for access to the **summary report** on the EFRAG website.

EFrag draft comment letter on the IASB's proposed amendment to IFRS 16

The European Financial Reporting Advisory Group (EFRAG) has issued a draft comment letter on the IASB exposure draft ED/2020/4 'Lease Liability in a Sale and Leaseback (Proposed amendment to IFRS 16)'.

Please click to access the **press release** and the **draft comment letter** on the EFRAG's website.

Consultation by the EFRAG Board President on his views on non-financial reporting standard-setting

EFrag Board President Jean-Paul Gauzès issued a Consultation Document inviting all interested stakeholders to contribute input to his preliminary proposals regarding changes to the governance structure and financing of EFRAG if the latter were entrusted with the development of EU non-financial reporting standards. Responses to this second consultation were due by 6 January 2021.

Please click to access **press release** on the EFRAG website.

EFRAG is looking for new Board members

The European Financial Reporting Advisory Group (EFRAG) has published a call for candidates for new Board members.

Please click for **more information** on the EFRAG website.

EFRAG plans outreach events on non-financial reporting standards

The EFRAG has announced a series of online outreach events to gather stakeholders' view from various jurisdictions on tentative proposals of the Project Task Force on non-financial reporting standards.

Please click to access the **press release** on the EFRAG's website.

Option for Member States to delay ESEF by one year

The European Parliament and the Council agreed to an amendment of the Transparency Directive allowing Member States to delay by one year the application of the European Single Electronic Format (ESEF) requirements for listed companies' annual financial reports, provided that they notify the Commission of their intention to do so, and of their sufficiently justified reasons.

Please click to access **more information** from the European Commission website.

European Union formally adopts IFRS 4 amendments regarding the temporary exemption from applying IFRS 9

The European Union has published a Commission Regulation endorsing 'Extension of the Temporary Exemption from Applying IFRS 9 (Amendments to IFRS 4)'.

Please click to access updated **endorsement status report**.

ESMA integrates latest IFRS updates in its ESEF taxonomy

The European Securities and Markets Authority (ESMA) has published amendments to the European Single Electronic format (ESEF) to update the core taxonomy to the latest updates to IFRSs.

Please click to access the following:

- **Press release** on the ESMA website
- Published **amendments** on the ESMA website

The three paradoxes of sustainability reporting

Steven Maijor, Chair of the European Securities and Markets Authority (ESMA), gave speech at a webinar organised by the French Ministry of the Economy, Finance and Recovery and discussed three apparent paradoxes of sustainability reporting and how to address them.

Please click to access the **full text of Mr Maijor's speech** on the ESMA website.

ICAS report on IAS 37 and decommissioning liabilities

The Institute of Chartered Accountants of Scotland (ICAS) has released a report examining the application of IAS 37 'Provisions, Contingent Liabilities and Contingent Assets' in accounting for the costs of decommissioning and clean-up operations in polluting industries, including oil and gas, mining and utilities.

Please click to access **full report** from the ICAS website.

10th ANC Symposium on Accounting Research

On 14 December 2020, the Autorité des Normes Comptables (ANC), the French standard setter, hosted its 10th Symposium on Accounting Research. The general theme was "Accounting and Crises".

Please click to access **recording of all presentations, speeches, and panel discussions** on the ANC website after the event.

AASB Research Forum – presentations available

The Australian Accounting Standards Board (AASB), in conjunction with the University of New South Wales, hosted the 2020 AASB Virtual Research Forum on 30 November 2020.

Please click to access **slides and recordings** of presentation from the AASB website.

IVSC publishes perspectives paper on social value

International Valuation Standards Council (IVSC) has published a perspectives paper 'Defining and Estimating 'Social Value'.

Please click to **access the paper** on the IVSC website.

IVSC publishes exposure draft on valuing financial instruments

In December 2018, the International Valuation Standards Council (IVSC) set up a new Financial Instruments Board, tasked with reviewing and improving IVS 500 'Financial Instruments'. The Board has now published a first exposure draft that addresses improvements to IVS 500 regarding governance and data.

Please click to **access exposure draft** on the IVSC website.

Prototype climate-related financial disclosure standard

Following their statement of intent to work together towards a comprehensive corporate reporting system, the five internationally significant framework- and standard-setting institutions (CDP, CDSB, GRI, IIRC, and SASB) have published a prototype climate-related financial disclosure standard.

Please click to access the following:

- **Joint press release** on the CDSB website
- **Joint paper** with a prototype climate-related financial disclosure standard

Various organisations comment on the Trustees' sustainability consultation

- The International Federation of Accountants (IFAC) has submitted a comment letter on the IFRS Foundation Trustees' consultation paper on sustainability reporting published in September 2020. Please click to access the **full comment letter** on the IFAC website.
- The Financial Stability Board (FSB) has submitted a comment letter on the IFRS Foundation Trustees' consultation paper on sustainability reporting published in September 2020. Please click to access the **full comment letter** on the FSB website.
- The Chairs of the three European Supervisory Authorities (ESAs), EBA, EIOPA and ESMA, have submitted a joint comment letter on the IFRS Foundation Trustees' consultation paper on sustainability reporting published in September 2020. The European Securities and Markets Authority (ESMA) has also submitted an additional separate comment letter. Please click to access the full comment letters below:
 - **ESAs joint comment letter** on the EBA website
 - **ESMA comment letter** on the ESMA website
- Accountancy Europe has submitted a comment letter on the IFRS Foundation Trustees' consultation paper on sustainability reporting published in September 2020. Please click to access the **full comment letter** on the Accountancy Europe website.
- The Global Reporting Initiative (GRI) submitted a comment letter on the IFRS Foundation Trustees' consultation paper on sustainability reporting published in September 2020. Please click to access the **full comment letter** on the GRI website.
- The International Organization of Securities Commissions (IOSCO) submitted a comment letter to the IFRS Foundation Trustees' consultation on sustainability reporting. Please click to access the **full comment letter** on the IOSCO website.

Recent sustainability and integrated reporting developments

- The World Business Council for Sustainable Development (WBCSD) has published the eighth edition of *Reporting matters* – WBCSD's annual review of its member companies' sustainability and integrated reports.

Please click to access the publication through the **press release** on the WBCSD website

- The International Integrated Reporting Council (IIRC) has released a report investigating the extent to which investors and analysts value non-financial information, the ways they use it and the benefits they see from integrated reporting

Please click to access the publication through the **press release** on the IIRC website

- The IIRC also announces the launch of the revised <IR> Framework in January 2021.

Please see this **press release** for more information.

- Climate Action 100+ has released its 2020 progress report that includes a section on disclosures.

Please click to access the report through the **press release** on the Climate Action 100+ website

- The latest report released by the Climate Disclosure Standards Board (CDSB), The state of EU environmental disclosures in 2020 analyses the strength and weaknesses of disclosure among 50 largest companies in the European Union under the EU Non-Financial Reporting Directive (NFRD).

Please click to access the publication through the **press release** on the CDSB website.

- The CDSB website also offers access to a series of briefings around the disclosure under the NFRD.

Please click to access **more information**.

- In addition, the CDSB and the United Nations Sustainable Stock Exchanges (SSE) initiative have formalised their long term and ongoing collaboration and cooperation with an official Exchange of Letters.

Please click to access the **announcement** on the SSE website

- The US Securities and Exchange Commission's (SEC's) Asset Management Advisory Committee recently published its recommendations on Environmental, Social and Governance (ESG) disclosure.

Please click to access a **draft of the recommendations** on the SEC website.

- The Sustainability Accounting Standards Board (SASB) has issued a staff bulletin on human capital management disclosure. The bulletin provides an overview of the human capital-related topics and metrics in SASB's 77 industry-specific standards to assist companies in preparing human capital-related disclosures.

Please click to access the **press release** on the SASB website.

- The UK Financial Reporting Council (FRC) has published the results of a review that shows that corporate reporting needs to improve to meet the expectations of investors and other users on the urgent issue of climate change.

Please click to access the review through the **press release** on the FRC website.

- The UK Government has announced its intention to mandate climate disclosure by large companies and financial institutions across the economy by 2025.

Please click to access **announcement** on the UK Government website

- The Accounting Bodies Network of the Prince of Wales' Accounting for Sustainability project (A4S) has published a statement of support agreeing with the IASB that existing standards should be applied to climate-related and other emerging risks.

Please click to access the **statement of support** on the A4S website.

- The Alliance for Corporate Transparency has published joint position on the reform of the EU NFRD setting out seven recommendations

Please click to access **list of recommendations and access to the full joint position** on the Alliance for Corporate Transparency website.

- Accountancy Europe has released a podcast discussing what is being done on the side of accountants to accommodate sustainability into corporate reporting.

Please click to access the **podcast** on the Accountancy Europe website.
